PRESIDENT'S REPORT

How quickly a year passes, it only seems like yesterday we were celebrating 30 years of Terrigal Trotters in the Grand Ball Room at Crowne Plaza. It was Trotter of the Year Night and the theme was "Back to the 80's" in recognition of our club forming in 1983.

Since those early years in the eighties, Trotters grew and continued to grow through the nineties and the new millennia into the noughties (2000-2009). I'm unsure if there is a "catch phrase" to describe the current decade we are in, but whatever way you look at it, Terrigal Trotters continues to go from strength to strength.

As my first year as President comes to a close, I look back over the past 12 months with a sense of satisfaction. I have been privileged to serve with a hard working and dedicated team that oversee the administration of Terrigal Trotters. The Committee is as diverse as our membership with run totals from 60 all the way to over 1000, between us we represent all our members, from walker to serious athlete and everywhere in between.

Whilst it is difficult to single out individuals for special recognition, I would like to thank Dave Byrnes for his work as Club Secretary. Dave has selflessly given his time to Trotters for many years and I have been very fortunate to work closely with him for many of those, in particular over the past 12 months.

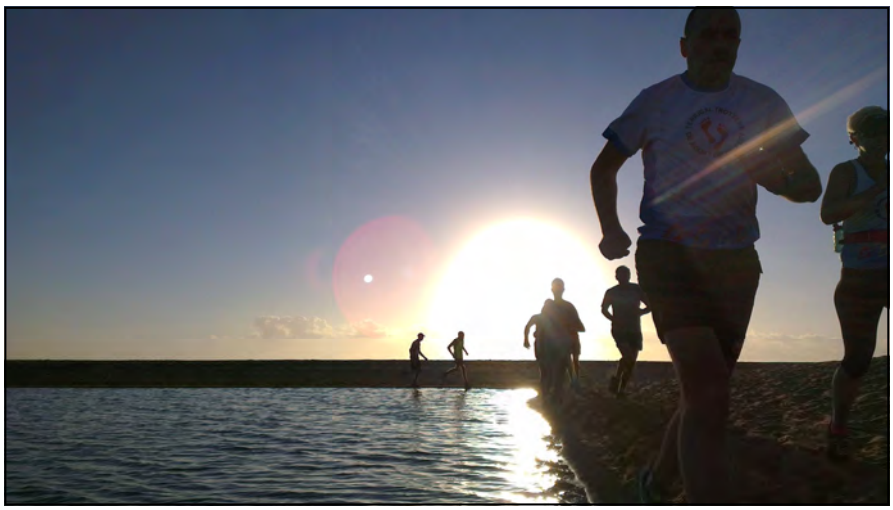
Probably the most rewarding aspect of my year as President is the monthly milestone presentations. Whether it's making a 10 run presentation and welcoming a new member, or presenting the "Golden Fleece" for achieving 100 runs. I have had the honour of presenting every milestone right up to 1400 runs.

Terrigal Trotters is more of a family than a running club and like any family, we experience highs plus lows and I continue to be inspired by the combined generosity of our members whenever the call for help has gone out.

The Saturday morning ritual of meeting for the 6am run is enough to keep us coming back week after week, but take a quick glance at our calendar of events and I know we are in for a year ahead full of great running but also great fun.

I look forward to sharing many of these moments with you.

Mark Dunlop
President
Terrigal Trotters



Trotters President, Mark Dunlop, with the finalists — Jo Ridley, Ross McGuigan and Suzy Woodbury — in the "be seen in the dark" Saturday morning competition.

TREASURER'S REPORT

The 2013/2014 Financial Year continued the trend of growth of Terrigal Trotters Inc. The financial position of the club remains strong, driven by 1) increased membership, 2) the growth in popularity of the GNW 100s event and 3) the strong participation in the Bay to Bay Running Festival.

Revenue

Total Revenue for the year was $171,835, slightly down versus 2012/2013. The main revenue items continue to be the Bay to Bay; the GNW 100s and Saturday running fees.

The Bay to Bay event income was slightly down on the highs of 2012/13 and the donations to Charities and other recipients (including Terrigal Trotters) were reduced as a consequence. The main financial contributor to the Club was last year's (Oct 13) successful GNW 100s event and my thanks go to Dave Byrnes and the many volunteers for a very well organised event.

Expenses

There was a substantial increase in expenses incurred in the 2013 / 14 year, mainly due to:

1) The very successful 30th Anniversary Trotter of the Year night, the costs of which were significantly subsidised by the Club.
2) The Club redesigned and purchased new running uniforms and Tina Baverstock has done a great job in organising and selling these.
3) We have made more Milestone and Trophy awards, for example, recognising the significant long term contributions from our new Life Members.
4) Increased Insurance and other costs. We have substantially more volunteers helping out at events such as the Bay to Bay and GNW 100s and have taken out additional insurance.

As the Club is well in excess of the GST threshold, the cash position of Terrigal Trotters is monitored accordingly. The Committee discussed whether the Saturday morning $2 running fee (which has remained the same for many years) should be increased to $3. At present, the $2 fee will remain the same but will be reviewed again later in the year. The cost paid by runners for bus trips to events (heavily subsidised by the Club) will increase slightly from later this year.

The cash position of the Terrigal Trotters General Account as at end June showed a balance of $48, 762. This Account, however, includes revenue (entry fees) for this year's GNW 100s and we will not incur the expenses for this event until September. The 2014 GNW 100's revenue has been reflected in the year 2013/14 Balance Sheet as 'Income Received in Advance'. The Bay to Bay account as at end June stood at $48,298 with donations and expenses of $40,161 in the process of payment. We still retain two Term Deposits, valued at $17,251.

Finally, my thanks to Harwood Chartered Accountants for their assistance, diligence and perseverance in preparing the Financial Reports.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2014

1 Statement of Significant Accounting Policies

Basis of Preparation

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 2009. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of this financial report.

Impairment of Non-Financial Assets

At the end of each reporting period the association determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the assets is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less.

TERRIGAL TROTTERS CLUB
ABN 84 506 919 570

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2014

Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Interest revenue

Interest revenue is recognised using the effective interest rate method.

Rendering of services

Revenue in relation to rendering of services is recognised depends on whether the outcome of the services can be measured reliably. If this is the case then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period. If the outcome cannot be reliably measured then revenue is recognised to the extent of expenses recognised that are recoverable.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the balance sheet.

STATEMENT BY MEMBERS OF THE COMMITTEE

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on pages 1 to 6:

1. Presents a true and fair view of the financial position of Terrigal Trotters Club as at 30 June 2014 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Terrigal Trotters Club will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President: _____
Mark Dunlop

Treasurer: _____
Jeff Dick

Dated this 25th day of August 2014

COMPILATION REPORT
TO TERRIGAL TROTTERS CLUB
ABN 84 506 919 570

The responsibility of the committee

The committee are responsible for the information contained in the special purpose financial report and have determined that the significant accounting policies adopted as set out in Note 1 to the financial statements are appropriate to meet their needs.

I have compiled the accompanying special purpose financial statements of Terrigal Trotters Club which comprise the balance sheet as at 30 June 2014, profit and loss statement for the year then ended, a summary of significant accounting policies and other explanatory notes.

The specific purpose for which the special purpose financial statements have been prepared is to provide financial information to the committee of management.

The responsibility of the committee of management

The Committee of Management is solely responsible for the information contained in the special purpose financial statements and has determined that the basis of accounting adopted is appropriate to meet the needs of the committee of management for the purpose of complying with the association's constitution.

My responsibility

On the basis of information provided by the committee of management I have compiled the accompanying special purpose financial statements in accordance with the significant accounting policies adopted as set out in Note 1 to the financial statements and APES 315: Compilation of Financial Information

My procedures use accounting expertise to collect, classify and summarise the financial information, which the Committee of Management provided, in compiling the financial statements. My procedures do not include verification or validation of procedures. No audit or review has been performed and accordingly no assurance is expressed.

The special purpose financial statements were compiled exclusively for the benefit of the committee of management. I do not accept responsibility to any other person for the contents of the special purpose financial statements.
